ARCHICAD 10 is on target to ship by the end of May

Those on Subscription will receive their upgrades automatically.

Those not on Subscription...

RESERVE YOUR UPGRADE EARLY AND SAVE

From current version no.	through June 30, 06			after June 30, 06		
	1-4 sites	5-9 sites	10-15	1-4 sites	5-9 sites	10-15
Archicad 9	\$695	\$625	\$575	\$795	\$715	\$660
8.1 or earlier	\$895	\$805	\$740	\$995	\$895	\$825

- **Indicate the number of sites you wish to upgrade** at this time in the "No. of sites" column below and from the chart above, choose the appropriate unit cost per site.
- **Archicad 10 keys will be upgraded electronically.** If you own a 7.0 key or higher, there are no key exchanges; The WIBU-brand keys that started shipping since version 7.0 will be upgraded electronically via the web. Directions on this process will ship with each upgrade. If you still have version 6.5 keys or earlier, your keys will be exchanged upon upgrading.
- **All keys are USB.** The same USB key will run on Macs and PC's. Both versions of Archicad ship on one CD. It's easy to switch between the Mac and the PC version.
