ALL LEVELS OF TRAINING AVAILABLE TO BUILD YOUR ARCHICAD SKILLS

- Still using Archicad as a glorified drafting program?
- Need to master View Sets and automate your Layout Book?
- Never made a VR presentation or an animation?
- Have you been putting off creating your ultimate office standards template?
- Don't know what to invest in these days?

You already own one of the best investments you will ever find...it's called Archicad. The more skillfully you use it, the greater your return on investment.

Knowledge is power; information is capital; invest in yourself.

BEGINNING TRAINING . . . FREE JUMP-START CLASS

- Prospective users
- New users
- New employees who you want to get up to speed right away

We include a free 6.5-hour hands-on "Jump-Start" (Archicad Basics) training class for new users, prospects, and new employees, held regularly on Saturdays. We encourage you to bring your own laptop. If you don't have a laptop, we'll provide one; minimum class size: 5 students. NOTE: These classes are intended for southern California & Arizona customers and prospects. For individuals from out of the area, the cost to attend will be \$195.

INTERMEDIATE TRAINING . . .

DIGITAL VISION MOBILE TRAINING SYSTEM (Have laptops, will travel):

NO TRAIN, NO GAIN - the Digital Vision Mobile Training System is available to assist you with our "beyond the basics" training opportunities. You provide the space (your conference room will do); we provide the laptop computers, projection system and training materials.

One day: \$750 (7.5 hours) - Two days: \$1,500 (15 hours)

Three days: \$2,250 (22.5 hours) - Four days \$3,000 (30 hours)*

(for up to 4 people/\$100 per day for each additional person; or combine staff from other offices to share costs)

We recommend the following training structure ...

30 HOURS TO ARCHICAD PRODUCTIVITY

Day One: 9:00 a. m.–5:30 p. m.

BEYOND THE BASICS: VIRTUAL BUILDING

Recommended modeling strategies | Starting out right with templates | Office standards | Layers & layer management | Massing studies | Library management | Working with stories

Day Two: 9:00 a. m.–5:30 p. m.

CONSTRUCTION DOCUMENT PRODUCTION SETUP

View Sets | Sections and elevations | Interior elevations | Setting up a Layout Book template | Systemized Details | Importing & exporting DWG; working with Autocad consultants.

Day Three: 9:00 a. m.–5:30 p. m.

INTERMEDIATE VIRTUAL BUILDING

Complex roofs | Custom objects | Foundations/footings | Site & terrain modeling | Complex shapes | Teamwork.

Day Four: 9:00 a. m.–5:30 p. m.

CLIENT PRESENTATIONS

Computer graphics basics | Visualization | Rendering | Animation | VR's | PowerPoint Slide Shows.

Recommended prerequisite: Jump Start Beginning Training held once a month in several locations throughout the Southwest: Irvine, CA, San Diego, CA, and Scottsdale, AZ.

TUTORING (one-on-one or small groups)

Hourly Rates: \$90/hour (three hour minimum), on-line/web-based: \$85/hour

Once you have a solid foundation, then you are ready for...
